

JULY SPECIALS

All homemade!

- #1 Signature Fried Cod Sandwich 6.25**
We bread a wild Alaskan cod fillet with crispy panko crumbs and fry it in non-trans fat oil. We serve it on a butter crust bun with lettuce, tomato, and onion. Potato chips and tartar sauce are included on the side.
- #2 Salmon Burger Sandwich 8.55**
Our homemade salmon burgers have been a customer favorite for many years now. Choose to have your burger fried or grilled and we'll serve it on a pretzel bun with lettuce, tomato, and onion with your choice of sauce on the side (most popular are Remoulade, honey mustard, lemon dill, or tartar). This sandwich is served with potato chips.
- #3 Fried Coconut Shrimp Meal 10.60**
We bread Gulf shrimp in our sweet coconut batter. As they fry, the coconut flakes become delicate and crispy, adding a bit of crunch to our tender shrimp. We serve this special with fries, coleslaw, and sweet pineapple plum sauce, which we make especially for this tropical favorite. Fried coconut shrimp is also available a la carte.
- #4 Tropical Tilapia Sandwich 6.95**
Starting with a butter crust bun, we add a grilled tilapia fillet topped with melted Swiss cheese and a slice of grilled pineapple. It's garnished with our homemade tangy Remoulade sauce, lettuce, tomato, and onion. Potato chips are included on the side.
- #5 Summer Garden Salad *with shrimp* 11.85**
We top mixed greens with blueberries, strawberries, grapes, cucumber, and our small boiled Gulf shrimp. Poppyseed dressing is included on the side.
- #6 Fried Scallop Meal 11.55**
We bread wild East coast sea scallops with our signature red batter. We serve them alongside fries, coleslaw, and mild seafood sauce. Fried scallops are available a la carte as well.
- #7 Door County Fish Boil 15.95**
Our authentic fish boil meal is like one you'd find in Door County, Wisconsin. We boil red potatoes, onion, and corn on the cob along with pieces of **bone-in whitefish**. Once it's cooked, we drain it and serve it with a cup of melted butter (the key to a successful fish boil!). It's served with homemade coleslaw and bread. *Fish boil may be subject to availability due to fishing conditions and market availability of whitefish.*
